Hello. I am Congressman Bob Menendez.

Every year, Congress and the President are supposed to write a budget that reflects our nation's priorities, and ultimately our nation's values. Unfortunately, this year the President and the Republican Congress developed a budget that does not reflect our shared values and will have drastic effects on families in New Jersey. I encourage you to watch the attached video file that details the concerns I have about the President's budget.

It is a privilege to serve the residents of New Jersey's 13th Congressional District. I remain committed to championing the priorities that you care about and look forward to continuing to serve you.

Sincerely,

Robert Menendez
Member of Congress
